

Loomed with the finest USA grown cotton, and made in the mountains of Vermont, all sizes are available in 24 contemporary, yet classic, color combinations to suit every decor and occasion. The two-color homespun pattern, which produces small squares on one side and larger squares on the other, is an old Appalachian design with some very practical qualities.

100% USA cotton, Long lasting colors, All pieces are hand fringed, Machine washable, line dry

Allow for some shrinkage due to natural fiber and weave; if in question, consider the next larger size

LEAVES

Bodrum's most popular line, Leaves is a damask weave with a delicate woven leaf design. The versatile palette includes 17 hues in both classic and trend colors which coordinate with a myriad of other Bodrum products. Two different widths in table cloths offer 13 sizes for even more versatility.
