

## *Loves Me*

This 60s-inspired design has a classic navy, pink and white color scheme that's so very wearable. A punch of orange and a geometric lining make a real fashion statement. (We love Loves Me ... because it's our newest breast cancer awareness pattern, too!) 10% of Vera Bradley's net proceeds from the sale of products in Loves Me ... will be donated to the Vera Bradley Foundation for Breast Cancer and other breast cancer projects and services.
